Oregon's Secondary Transition At-A-Glance Resources

These resources offer essential guidance to support effective secondary transition planning for students with disabilities. The At-A-Glance format is organized with key information about secondary transition requirements under IDEA, Oregon Revised Statutes, and Oregon Administrative Rules. Designed with busy educators in mind, these resources help you create high-quality transition IEPs that meaningfully prepare students for life after high school.

- Transition IEP Requirements and Compliance
- Age- Appropriate Transition Assessment
- Student Involvement in the IEP process
- Preferences, Interests, Needs, Strengths (PINS)
- Measurable Postsecondary Goals
- Courses of Study
- Transition Services
